## Now Available: Two NEW Wubbers Plier Sets!

### Wubbers Baby Set (4PC) PLR-1101

Baby Wubbers have smaller tips especially suited for finer, more detailed work. They work very well with wire gauges ranging from 18 to 30. The four-piece Wubbers Baby Set includes one each of the following versions: Bent, Chain, Flat, and Round. Each version in the series has a length of 5".

**Free Pouch  
+  
Tiny Wubber**

### Wubbers Classic Set (4PC) PLR-1201

The Wubbers Classic plier set features the well-known Wubber handles which provide added leverage without feeling bulky. Wubbers consistently outperform other pliers that cost twice as much. The jaws are strong without being cumbersome. The unique Wubbers finish holds tight yet helps protect your metal against marring. For use with up to 12-gauge wire. Plier length of 6-1/2".

**Free Pouch  
+  
Tiny Wubber**

**Each set includes a free  
case & Tiny Wubber!!**  
(while supplies last)
